

## Four Youths Dead As Result Of Car Crashes In District

Others Injured As Speed Is  
Blamed For Two Fatal  
Accidents

Four teen-aged youth were killed and a fifth critically injured in two automobile accidents in this area Sunday.

Seven passengers on a Greyhound bus were treated at the Tahoe Forest Hospital as a result of one of the mishaps and four youths were given treatment as a result of the other.

The most serious accident occurred at 7:20 p.m. Sunday evening when a west-bound car driven by Bobby Lloyd Sullivan, 18, Sacramento, got out of control a quarter of a mile east of Rainbow Tavern and smashed head-on into an east-bound bus.

**Out Of Control**  
Sgt. Frank Snyder, who with Patrolmen Carroll Maynard, William Gausche, Martin Sturcke and Newhall, made the investigation, said the car apparently was unable to make a curve, ran off the north shoulder for a distance of 200 feet then swerved across the highway into the bus.

Killed were the driver, Sullivan, Earl Ray Eunice, 18, and Nora Souza, 18, all of Sacramento.

Marguerite Duvall, 18, Sacramento, is in the Tahoe Forest Hospital with critical head injuries.

The bus driver, Ollie Newcomb, 36, Stockton, was uninjured, but seven passengers were taken to the hospital for treatment and later released.

**Were To Be Married**  
Relatives of the victims in Sacramento said young Sullivan and Miss Souza had gone to Reno to be married.

But county clerks in Reno and Carson City said a marriage license had not been issued to the couple. However, a clerk at the Washoe County court house in Reno said a couple was refused a license between 8:30 and 9 p.m. Saturday night because they could not produce identification proving their age. He said that the couple refused the license was accompanied by another young couple.

The bodies were taken to Colfax and the Truckee ambulance brought the injured to the local hospital.

**Tahoe Tragedy**  
Ronald Sinclair Gillies, 17, of Sparks was killed Sunday and five other Sparks youths injured when the automobile in which they were riding plunged off Highway 89 near Meeks Bay, Lake Tahoe, and struck a tree.

Highway patrolmen said the car, driven by Don Payne, 17, of Sparks, missed a turn in the narrow, winding road.

Besides Payne, the other injured included Paul DiMaio, 17; Henry Garcia, 17; Charles Kirk, 20; and Howard Lambert, 17.

All were taken to Tahoe Forest Hospital.

Payne was lodged in the jail at Truckee en route to El Dorado County where, Constable N. F. Dolley said, he would face manslaughter charges.

## LOCAL LIBRARY TO BE CLOSED FRIDAY

The Tahoe-Truckee Community Center Library will be closed Good Friday, but will be open the rest of the week to serve you. Everyone is welcome to borrow books and use the library's facilities. The hours are from 8:30 to 5.

Public school week program for Tahoe-Truckee High School is scheduled for Thursday, May 2, between 7:30 and 9 p.m. There will be student speeches, musical selections, open house, and refreshments will be served by the PTA. Parents and friends are cordially invited to visit the high school.

## ELMER BROWN HEADS HIGH SCHOOL P. T. A.

At the regular meeting of the Tahoe-Truckee Unified High School PTA held on April 11 the following officers were elected for the coming year: President, Elmer Brown; vice president, Mrs. Frank Snyder; second vice president, Mrs. Adeline Gunkel; third vice president, Wm. Sciutto; secretary, Mrs. Dave Rose; treasurer, Mrs. Max Williamson; parliamentarian, Mrs. Paul Horvath; historian, Mrs. A. E. Abbott.

The association voted to purchase an outdoor portable loud-speaking system to be permanently mounted upon a trailer-bed. They also voted to award a \$100 scholarship to a graduating senior this year. A vote of confidence was extended to President York for his services as president for the past year.

Refreshments were served at the close of the evening by the committee composed of Mesdames Gunkel, Davis and Cinani.

The next regular meeting will be held on Thursday, May 9, at which the new officers will be installed. Mr. John Corbin, superintendent, will speak on the proposed construction program for the school district.

## Burned Forest Area Being Planted By U.S. Forest Crews

Tree planting on the Truckee Ranger District of the Tahoe National Forest began last week with the arrival of 20,000 Jeffrey pine seedlings from the Mt. Shasta service nursery, Roy Saarni, district ranger, announced.

These young trees will be planted in the 70-acre Jackass Point burn about a mile north of Gateway Park where a fire in 1955, caused by a careless hunter burned with such intensity that no seed trees were left to reinforce the area.

The planting crews consist of Henry Toccalini, Truckee fire dispatcher; Jack Schindler, Tahoe fire patrolman and Bill Murray, trail crew foreman. Joining the crew next week will be Fred Scott, Martis Peak lookout; Hollis Anthony, Truckee fire crew foreman, and Bill Stewart, Boca patrolman.

The tree plantations on the Bald Mountain burn were inspected last week and a high survival noted over much of the area. These trees should begin to show form from Highway 89 within another year or two. The young trees are only six to 12 inches high when planted and usually do not give a green cast to a burned area for the first two or three years. After this initial adjustment period growth is rapid with some vigorous trees growing a foot or more per year.

## Olympic Progress Seen By Official

H. D. Thoreau, executive secretary for the California Commission spent Monday at Squaw Valley conferring with landowners, engineers and architects relative to plans for construction of facilities for the 1960 Winter Olympic Games.

Thoreau said, following his visit to the valley, that prospects for agreement between principal landowners, Mr. and Mrs. Wayne Poulson and the commission are bright and there seems little cause for further serious differences.

The visit and survey of the valley by Thoreau was in preparation for a meeting of the commission late this month or early in May when it is anticipated agreements on points in question can be reached and work started on the \$8,000,000 project early in June.

The commission will hear reports from the engineers and planners regarding parking, a ski run-off area and a sewer disposal plant, all of which items have caused some unsavory publicity as a result of controversy between the Poulsons and representatives of the commission and organizing committee.

It is indicated that these issues can be settled without difficulty and without resorting to any condemnation procedure.

In the meantime Senate Bill 1774, providing required additional funds for the games and giving the commission the right of eminent domain, is expected to pass the senate finance committee without trouble this week and get started on its way through the lower house. Senator H. T. Johnson of Roseville is handling the bill in the senate and Assemblyman Francis Lindsay will steer it through the assembly in the near future.

## MAIL CARRIER FOR LOCAL JOB NEEDED

Sealed proposals for carrying the mail between the post office and the Southern Pacific depot will be received by Postmaster E. C. Bavier. The contract involves carrying the mail twice each day, once in the mornings from the depot to the post office and again in the evening from the post office to the depot.

R. R. Frank, who has been doing the work, has resigned to take over a contract for hauling the mail between Truckee and Colfax.

## SKI RESORT NAMED IN ACCIDENT SUIT

NEVADA CITY—A personal injury suit for alleged "careless and negligent" operation of a ski lift against Howard Floyd, Anthony Richter, Donner Ski Ranch, a corporation, et al, has been filed in Nevada County Superior Court.

The plaintiff, Barbara Houser, charges that on March 9 of this year when she was on a chair lift she fell as result of carelessness and asks \$75,000 for injuries sustained and loss of work.

## Offer Of Aid For Airport Made At Committee Meet

Firm Seeks Lease On Port  
In Exchange For Cost  
Of Building

A plan whereby the North Tahoe-Truckee airport may be constructed and operated without any capital outlay by local taxpayers was advanced at a meeting of the airport committee Monday.

Representatives of the California Eastern Airline, Inc., of Pasadena, appeared before the committee to discuss the feasibility of leasing the port on a long-term basis, advance the matching funds required for construction and operate the strip on a percentage basis for the district.

The representatives, William Mason and Ivan Sperbeck, attorney for the concern, said they have given the matter only summary consideration but will present the committee with a detailed proposal after they have conferred with CAA officials and other company and district officials.

**Work Starts Soon**  
If the agreement can be reached work would start this spring on preparation of the port, Mason declared. While only minimum traffic with lighter planes could be handled for the time being, he said that it was the desire of the company to inaugurate a permanent year-around schedule by next year to provide adequate air transportation during and after the 1960 Winter Olympics at Squaw Valley.

Mason said he had been conferring with Clyde Barnett, head of the California Aeronautics Board and had been assured of that organization's support.

Mason said there was no question of the availability of securing the matching funds required by the CAA for a federal participating program of construction, thus relieving the local district of a proposed bond issue or taxation to prepare and operate the field.

C. Edmunds, chairman of the local committee, pointed out that the first step would be the formation of the district which would act in a sponsoring capacity and serve as the legal entity.

Petitions are being drawn up for signatures of voters of the district to hold an election for the formation of the district. It is held by sponsors of the airport district that the formation is a "must" regardless of the future building plan, since it would preclude a county-wide airport district which could bring taxation to the local areas for construction of a port in another section of the county.

## COUNTY EMPLOYEES ARE ASSURED RAISE

The approximately 190 employees of the County of Nevada have been assured a 10 percent increase in pay effective for the new fiscal year beginning July 1, as the board of supervisors in regular session voted the raise.

This increase does not include elected officials, who under the current law cannot receive raises during their present term in office but must wait until election time, or department heads who receive individual adjustments following closer study.

## POSTAL SERVICES TO RETURN TO NORMAL

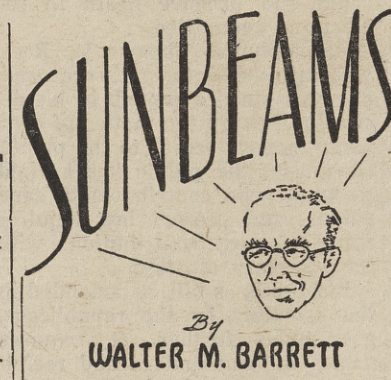

Postal service at the Truckee post office is expected to return to normal Saturday as a result of the action of congress in voting the money demanded by the postmaster general to provide for uninterrupted service.

## THREE JAILED AFTER AUTO IS STOPPED

Concepcion O. Marin, 23, Raymond Dixon, 20, and an 18-year-old Truckee boy are spending 21 days in the Placer County jail on charges of reckless driving and illegal possession of intoxicating liquor following their arrest last week by Placer County deputies and their appearance before Judge Harry Charrison at Tahoe City. Another teen-aged Truckee boy was certified to the juvenile authorities.

An additional charge of contributing to the delinquency of a minor was lodged against Marin.

Mrs. Lewis III—  
Mrs. Hazel Lewis, a Truckee resident for many years has been ill in Tahoe Forest Hospital.

Whether you are for, against or indifferent to a proposal to incorporate the town of Truckee, it is a good idea to attend a public forum to be held at the cafeteria of the high school Friday evening, April 26, at 7:30 p.m. when the plan will be thoroughly aired and explained in detail. The meeting was called for the purpose of providing answers to all questions which might arise concerning costs, operational procedure, taxation, subventions and other matters. The chamber of commerce, which is sponsoring the meeting, is doing so to give everyone an opportunity of deciding whether or not the plan is feasible and timely. This newspaper believes it is, and will continue to support the plan with the thought that the community has reached a point where self-government is not only desirable, but necessary if we are to progress beyond a point designated by our county officials.

A forthcoming bond election to provide a sizeable sum for the improvement of schools in the district deserves the united support of the voters. The area has grown considerably since the schools were built and all indications are that this growth is to be amplified many times in the not too distant future. The size of the proposed bond issue—\$1,700,000—is not a small figure, but when it is divided into four parts, with each of four schools receiving a share, it is not so bad and means that each school will benefit according to its need, with an average of less than half a million per school. The need is apparent and it is most unfortunate that at the same time we vote bonds for our local schools, we are also called upon to share in the cost of bonds for a Placer County junior college, a proposition which does not have our support.

## Travel Shows Gain During Past Month

Travel into California through Truckee increased by more than 4000 vehicles during March as compared to February, but declined about 1000 compared to March 1955.

This is shown in the monthly travel records kept by the state department of agriculture, which revealed that during last month 24,072 cars, 3880 trucks and 621 buses were checked at the local quarantine station. During March, 1956, 25,063 cars were inspected here.

Truckee remained in fourth place as a port of entry into the state.

On Highway 50 at Meyers, 6420 cars, 318 trucks and three buses were checked at the quarantine station, compared to 8598 cars during March 1956 and 4160 during February.

Meyers was in 10th place among the 16 reporting stations.

The count does not include east-bound travel nor local cars traveling between western Nevada and California.

## MISS KAREN SHARICK TO WED NORM SAYLER

Local friends have learned of the approaching marriage of Miss Karen Marie Sharick and Norman Lee Sayler, which is scheduled for next week at a simple ceremony to be performed at Reno. A reception for the immediate family and close friends will be held Saturday, April 27 at Donner Lake Lodge.

Both young people are well known here and have a legion of friends who will join in extending best wishes.

Miss Sharick is the daughter of Mr. and Mrs. George O. Sharick of Tacoma, Wash., and the young man's family lives at Sacramento. He had been employed here until recently when he went into the armed services and is now stationed at Fort Carson, Colo.

O. G. Alexander is reported improving from an operation performed Monday at Marysville. Local friends are interested in his recovery of health.

## Incorporation Will Be Discussed At Meeting April 26

Questions To Be Answered  
As Chamber Prepares  
For Meeting

Hal Welch, chairman of the Truckee Chamber of Commerce committee to study the proposal to incorporate the town of Truckee, will preside at a meeting scheduled for 7:30 p.m., Friday, April 26 at the high school cafeteria.

The meeting was called by Rex Reid, chamber president, to give everyone interested an opportunity to hear all details of the plan and to ask questions on all phases of the proposal.

Although Welch will preside at the meeting, he has announced that other speakers, familiar with incorporation details, will be on hand to explain and discuss the project.

The meeting is open to all and whether for or against, everyone is asked to attend and participate in the discussion.

## Calendar Approved By School Board

The school calendar for the 1957-58 year was adopted by the board of governors at a meeting last week.

The calendar calls for the classes to open on September 3 and close June 6, providing weather permits, a continuous school schedule.

The board selected Phil Edwards of Sacramento as building inspector for the new Kings Beach school construction project at a salary of \$600 per month. There were three other applications considered.

Miss Phyllis Carter of Dinuba was employed as girls' physical education director to replace Miss Betty Lou Riker, who resigned, and Elmer Hall of Truckee was employed as custodian at the high school.

Considerable of the meeting was devoted to a salary schedule for certificated and non-certificated employees but final action was deferred.

Reg Smart presided at the meeting.

## DEFAULT IS CHARGED IN DAMAGE ACTION

NEVADA CITY — Alleged default of an agreement of sale and failure to return an off-sale liquor license following abandonment has been made the cause for a \$118,000 suit filed in the Nevada County Superior Court.

Plaintiffs are Brant M. Chaplin and Doris Chaplin, his wife, against Elmo B. Moriano, Jeanne Carter Moriano, Felice Moriano and his wife, Jane Doe Moriano, Robert B. Leando, Hilmer Schubert, Soda Springs Hotel, Inc., Beacon Hill Lodge, Inc., and others.

The plaintiffs claim injury in the sum of \$18,000 for the license plus \$100,000 damages and "destruction of goodwill of said Soda Springs Hotel built up by the plaintiffs over a great period of time."

## MAIN STREET GETS GOOD FACE WASHING

Truckee's main street took on a real old-fashioned face washing Tuesday when members of the Truckee Volunteer Fire Department, cooperating with division of highway crews, thoroughly swept the street and then washed it off completely with the fire hoses.

The sidewalks and street offer an attractive appearance for Easter and it is hoped that local residents will cooperate in keeping them clean by using the trash disposal cans and not sweep trash from stores and sidewalks into the gutters.

## MORE BIG CATCHES REPORTED AT LAKE

Fishing at Donner Lake continues to bring excellent results. Saturday, Mrs. Dorothy Morhain and Bud Owens made a good catch with three mackinaws which weighed 20 pounds, 14 pounds and 4½ pounds each. While these did not meet the specifications of the 29-pounders caught by Jack Waggoner nor the 25½-pounder landed by Charles Osburn, they were plenty big.

## Easter Services In Local Churches Are Being Planned

Special Easter services in the local churches have been announced by the pastors.

Rev. Wesley Osman of the Community Church, announces that two services, one at 9:30 a.m. and the second at 11 a.m. will be conducted. Sunday school will be held for nursery through 3rd grade only at 9:30.

Maudy Thursday Holy Communion candlelight service tonight at 8 p.m.

Accepting membership in the church on Easter morning will be Berger Nelson, Jr., Barbara Nelson, Paula Kaspian, Varlen Frey and Terry Walker. Peggy Hubbard came into membership on Palm Sunday.

**Catholic Services**  
Masses at the Assumption Catholic Church in Truckee will be at 9:30 a.m.; at Soda Springs at 8 p.m.; Tahoe City, 10 p.m.; Kings Beach, 11:30 p.m. and at Squaw Valley Lodge at 9 p.m., Father P. J. O'Neill announced.

Good Friday services will be held at the Truckee church between 1 and 3:30 p.m. with Stations and veneration of the cross at 8.

The Easter vigil on Holy Saturday will be held at the Truckee church at 10:30 p.m. followed by midnight high mass.

**Christian Science**  
Doctrine of Atonement will be the subject of the lesson when the Truckee Group of Christian Science meets at the edifice Sunday morning at 11 a.m. for special Easter services.

## State Chamber In Favor Of S.B. 1774

Travel and recreation, fish and game matters and agriculture were among the subjects upon which the board of directors of the California State Chamber of Commerce took action in a Los Angeles meeting Friday, April 12.

The chamber board endorsed "in principle" Senate Bill 1774 which would provide for permanent in state-constructed facilities at the Winter Olympic site at Squaw Valley. The bill would give eminent domain rights in the valley to the California Olympics Commission if needed to protect the state's investment which, including \$3,000,000 provided by the bill, so far totals \$8,000,000.

**Fish Game Matters**  
A number of resolutions were approved relative to fish and game matters following a report from the sub-committee on fish and game with Eugene Bennett of San Francisco as chairman.

Among the actions taken were resolutions calling for:

1. Limitation of the planting of catchable trout to streams and lakes where there is little or no natural reproduction.

2. Increase in angling license of \$1.00 in hunting licenses \$1.00 and in commercial fishing licenses of \$15.00, and providing for certain new items such as a trout stamp \$1.00 and a junior fishing license of \$1.00.

3. Reaffirmation of a state chamber policy in support of granting regulatory powers over sports fishing and hunting to the state fish and game commission.

4. Opposition to any legislation which would place the department of fish and game under the state department of natural resources or subordinate it to any other department of the state government.

## J. C. BOARD PROVIDES LOCAL STUDENT AID

At a meeting of the Placer County Junior College District Board of trustees Monday night at Auburn, it was voted to allow students in the district not served by buses, an allowance of \$40 per month to apply on their board and room while away from home and transportation on a public carrier to and from their homes once each week.

Reg Smart, member of the board from this area, said the action was taken to equalize the expense of students who are required to travel long distances and where bus service would not be available.

## SCOUTS BUSY

Recent activities of Girl Scouts Troop II included making Easter baskets, filled with decorated eggs, resembling rabbits, sharing their artistic efforts with the inmates of the local hospital. A dance is being planned as well as a visit to a bakery in Reno.

## Road Problems To Be Studied Here At April 29 Meet

State Highway Officials To  
Arrange Survey Of  
Canyon Road

Three division of highways appraisers are working in this area in preparation for obtaining the necessary rights of way between Donner Lake and Floriston for the next step in four-laning U.S. 40 over the Sierra.

Blair Geddes of the engineering department of the division at Marysville, accompanied by Les Koritz, head of the public information department, Warren Fowler and Joseph Ralph, of the headquarters office, were in Truckee last Thursday conferring with chamber of commerce officials relative to the best method of traffic control during construction.

Geddes said a further survey of the local situation will be made April 29 when an inspection tour of the area by state officials, chambers of commerce and press and television people is being scheduled.

Immediate concern is being given ways of handling traffic during closures on the section of new highway between Floriston and the state line, now under construction by Gibbons and Reed of Salt Lake City.

## Cooperative Solution

John Petersen, resident engineer on the job, and the contractors are attempting to work out a cooperative solution to the problem of handling traffic over the section between now and September. While it still must get official approval, those attending an informal meeting at Smart's last Thursday afternoon to discuss the matter, agreed that a sign showing scenic detours via Lake Tahoe and Sierraville could be installed near the Truckee Wye, giving hours of road closures and detour suggestions.

Koritz told the audience that the state planned to install a series of 4x8-foot signs along Highway 40 west of Truckee giving closing hours, and gave a personal approval of the sign suggested by the chamber of commerce.

**Only One Stop**  
The contractors are coordinating their closures with those required on the project underway in Nevada just east of the state line, thus eliminating, as much as possible, two stops in that area.

A suggestion that gates be installed at Truckee where east-bound motorists would be warned ahead and a similar gate at Verdi for west-bound traffic, was frowned upon by the state officials since such a project might have unfavorable reactions.

## Booklets Prepared

All travelers will be presented with small booklets giving a graphic description of the work being done and the necessity for delays. Koritz declared in pointing out that every effort would be made by both the state and the new contractors to cause as little inconvenience to the traveling public as possible.

Hours when the road at Floriston will be closed will be announced in advance of the heavy construction work which is expected to start about May 15. These hours will be kept posted on convenient signs, giving motorists an opportunity to take the Tahoe or Sierra Valley detours or wait until the road is opened. Closures are not expected to exceed an hour in most cases, although it was agreed there may be times when longer waits will be necessary.

## Bus Schedules

Buses and long-line trucking firms will coordinate their schedules to arrive at times when the road is opened.

One small detour will be constructed near the project, but because of the nature of the rough terrain where the work is being done, detours are not possible for the most part.

The visit of officials and others here April 29 will start at Smart's at 10:30 a.m. under the present schedule and will conclude with a lunch at the same place.

Appraisal of local property for the Donner Lake to Floriston section of the highway is expected to be completed during the next couple of months.

## SUMMER RESIDENT STRICKEN FATALLY

Louis Bauer, 62, a summer resident of Truckee for the past several years, succumbed to a heart attack here last Wednesday. Burial was in the Truckee cemetery under the direction of the Truckee Colonial Mortuary and Father P. J. O'Neill officiated.

Bauer leaves a brother, Frank, who lives in Mesa, Ariz.

## DINNER AT EIGHT

Ladies' night will be observed Monday, April 22, by members of the Truckee Rotary Club, the affair beginning at 7 o'clock, dinner following an hour later in Donner Lake Lodge.

## Flew South—

Mrs. Stanley Zwarg, Mrs. Cecil Clepper and daughter, Denise, returned from southern California, making the trip by airplane.

**AFFAIRS OF STATE**  
Henry C. MacArthur

SACRAMENTO (CNS) — Under  
the heading of "screwball legisla-  
tion" comes the measure over  
which democrats and republicans  
hassled almost all of last week,  
A.B. 2812, finally passed by the  
house and sent to the state senate  
where it is scheduled to meet a  
rapid and decisive death in the  
elections committee.

Assemblyman Thomas M. Rees,  
who introduced the measure origi-  
nally was sincere enough in his de-  
sire to open up the matter of cam-  
paign money records to the public.  
Obviously, the public has a right  
to know who contributes to cam-  
paigns, and present law requires  
filing of such contributions with  
the secretary of state.

But the Rees bill, as amended in  
the assembly by the republicans,  
goes much further. It requires  
names of contributors and recipi-  
ents, a separate bank account for  
the candidate, and payment of all  
campaign expenses by check,  
which were the requirements of  
the original bill, and in addition,  
as it now stands, it prohibits li-  
quor, horse racing, cardroom and oil  
companies from contributing to po-  
litical campaigns.

Further, the bill says no one may  
campaign on behalf of a candidate  
unless he campaign in the county  
where he lives.

In the first place, some reason-  
ably accurate attorneys have clas-  
sified the measure as unconstitutional.  
The republicans have written  
into the bill a proposal to ban  
four legally legitimate businesses  
and industries from participating  
in election campaign. Thus, liquor,  
horseracing, cardroom and oil in-  
terests would be eliminated from  
the political scenes in California,  
while the railroads, the milk trust,

be held at Justice Court, Truckee,  
California, at which said time and  
place all proposals and bids will be  
publicly opened, examined and de-  
clared.

Each bid or proposal must con-  
form and be responsive to this No-  
tice and shall be made on the Bid  
Form provided by said District.  
Bids or proposals shall be un-  
conditional and shall be accompa-  
nied by a certified or cashier's check  
payable to the District in an  
amount not less than 10% of the  
monthly amount so bid; said  
amount shall be forfeited to the  
District should the Bidder to  
whom the contract is awarded fail  
to enter into said Contract for Col-  
lection and Disposal of Garbage in  
accordance with his bid, within  
three days after receipt of notice  
of such award; the faithful per-  
formance of said Contract shall be  
secured by a personal or corporate  
surety bond, or cash bond in the  
amount of \$500.00.

The District reserves the right  
to reject any or all bids, to waive  
any irregularity or informality in  
the bids or bidding, and to accept  
the bid or proposal which in its  
judgment it deems most advantag-  
eous to the District.

Copies of the Bid Form, the Con-  
tract, General Provisions, Terms  
and Conditions for Collection and  
Disposal of Garbage, and Ordinance  
No. 5, as Amended by Ordinance  
No. 6, may be obtained from  
the Secretary of said District as  
noted above upon depositing with  
him the sum of \$5.00, therefore,  
which sum shall be refunded pro-  
viding said copies be returned with-  
in two days after the opening of  
bids.

Dated: April 9, 1957.  
JOHN J. MCGLADE,  
Secretary of Board of Di-  
rectors of Truckee Sanitary  
District.  
First publication: April 11, 1957.  
Last publication: April 18, 1957.

**DISTRICT FILES TO CONDEMN PROPERTY**

AUBURN — The North Tahoe  
Public Utility District has filed  
condemnation proceedings against  
property owned by Lily Hohfeld  
Mooney, Robert E. Shields and  
Claire T. Shields.

The suit declares the land is  
needed for a sewage pumping sta-  
tion and sewer mains at Lake Ta-  
hoe.

Miss Mooney two months ago  
filed a \$110,000 damage suit against  
the utility district charging her  
land was damaged by a flow of  
sewage from the district.

the California Teachers Association  
and a score of other interests  
would continue to be permitted to  
sponsor candidates financially if  
they so desired.

Another of the "screwball" fea-  
tures of the bill as now written  
is that Assemblyman Byron Rum-  
ford couldn't spend any of his own  
money on his own election cam-  
paign, because in his drugstore,  
he holds a liquor license. Similarly,  
Assemblyman Joseph Shell, who is  
in the oil business, would have to  
depend on his friends for election  
support, as he would be violating  
the law by digging into his own  
pocket.

Then too, an orator from one  
county could not go into another  
county to campaign for a candi-  
date across the line.

All of which bolsters charges  
by Rees and Senator Richard Rich-  
ards, that the republicans are at-  
tempting to scuttle the bill by  
amending it into a ridiculous and  
unworkable document.

Reports are that many a cam-  
paign contribution is unable to  
stand the light of day, despite the  
fact there is nothing illegal now  
in any individual or business in-  
terest contributing to a political  
campaign. Also, there is no limita-  
tion as to the amount of contribu-  
tion.

Restrictive laws, such as propos-  
ed in this so-called "purity of elec-  
tions" measure, do nothing but  
drive many a good citizen out of,  
instead of into, the field of poli-  
tics, and thus deprive the legisla-  
ture of sound men and women who  
refuse to seek office because they  
do not wish to become enmeshed  
in the rules, regulations and re-  
quirements of the law, as well as  
the results when they might un-  
wittingly violate them.

# NEWS NOTES FROM TAHOE

By Naomi McLane  
(Tahoe City, Box 711. Ph. 246-J)

## Easter Weather

Such a spring-like Easter time is bringing lots of comings and goings and even stayings-in. If everyone could see the lake glistening in the moonlight these nights he could never go away. It was pure silver last night, the kind that can be stored up and looked at in mind again and again in the most miserly fashion, but never be lost. It had a quality different from summer silver nights. It must be spring!

## Church Services

The various churches are planning special services for this eventful season. Most of the Holy Week services are being held in Truckee for the whole area but Good Friday night mass will be held at Corpus Christi Church in Tahoe City at

eight o'clock. Easter Sunday mass will be celebrated there at the usual time at 10 Sunday morning. The Church of the Latter Day Saints which has been meeting at 11 a.m. in the Community Hall will begin change of service this Easter Sunday. The hour has been moved to 8 p.m. still meeting in the Community Hall. Presiding Bishop Wendell Dunn conducts the services and wants all LDS members and any other interested in the area, including Truckee, to know about the change of time.

The Community Sunday School which meets at 1 a.m. in the Community Hall will hold special services for Easter. The children of all classes have a lovely program planned. Mr. Charles Beardsley will give an address on the joyous Easter and his wife Elsiebeth will accompany their daughter, Elise, a sophomore at Mills College, who will sing, "I Know That My Redeemer Liveth." Other special music will be furnished by Gerry Waters and the children of the Sunday school.

## Egg Hunt

Shortly after 11 o'clock the Tahoe City firemen will hold their annual Easter egg hunt on the Commons for the children of the community. All children from toddlers through sixth grade are welcome to find what the firemen Easter bunnies have hidden. According to Chief Al Henry there may be a prize or two for the finders of the most eggs or the golden egg. There will certainly be fun for all.

## Surgery

Chipper Marvin will enter Mercy's Children Hospital in Sacramento this coming week for some long-planned surgery. The length of his stay is not known now but he will be there for at least a week. He had not told any of his school friends about going as they might like to know that mail will reach him at the hospital. Mercy's Children Hospital, 3994 H street, Sacramento. His mother, Mrs. Ken Marvin, will drive him down on Wednesday and stay over till the surgery is completed. Both

Ken and Carol will return to visit him on Easter day.

## Scout O-Rama

Ken Marvin's Scout Troop, No. 27, is full of plans for the Scout O-Rama to be held in Auburn, May 25. The boys are preparing an astronomy booth to display there. They are selling tickets now, a percentage of which they get to keep for their own troop here. So if you are approached by a Scout do buy one. And if you are not get in touch with Ken Marvin at TC 250. I am ashamed that I have been missing out on Scout news. I will try to do better.

## Cubs To Meet

Cubs will have a pack meeting this last Wednesday of the month, April 24. This will be the last pack of the year and all parents are urged to come since there will be a business meeting instead of skits by the boys. Boys who have earned awards will receive them. The meeting is held in the Community Hall at 7 p.m. Hannah Corona's beautiful ski sweater is receiving the notice it

deserves. She sent it in to the Nomoto Yarn Company from whom she gets yarns for her Sierra Knit and Yarn Shop, and they accepted the model as one of their best. It was modeled last week at a fashion show in the Biltmore Hotel in Los Angeles and will be shown again this April 29 at the St. Francis in San Francisco.

## Rotary Guest

Five of the Tahoe Truckee High School ski team and their coach, Terry Tollefson, were guests of Tahoe City Rotary at their dinner meeting, April 9. Tollefson introduced the team, Bill Connors, Gary Henry, Douglas Ball, Rex Donaldson, and Miss Sherry Thatcher, and commended them for their fine showing this past ski season. Tollefson is a former ski ace, himself. Besides the 28 members attending the regular dinner meeting there were six visiting Rotarians from the Brockway club. President Steve Korich presided. Basil Kehoe showed a film of meat inspection by the U. S. Government.

## Election May 7

Don't forget to vote on May 7! Beside electing two directors for the Tahoe City Public Utility District, a proposition has been added to decide whether the directors at large shall be increased from three to five members. C. W. Vernon, director and manager of the district, feels that it is imperative to increase the number of directors in order to insure a quorum at meetings in both summer and winter. The growth of the area and the addition of sanitary system makes it almost necessary to have a five-man board, he said. On the ballot are the names of N. R. Mayfield, incumbent; James Martin and R. E. Jorgensen. E. H. Pomina, a director since 1938, has declined to run again.

## Sell Plant

Mrs. Evie Waters reports that they have sold their Deer Park ready mix plant to Dan Durbin and Jack Chevron, who were formerly with ready mix of Reno.

## Easter Travelers

And now for the comings and goings of our Easter week travelers. Disneyland will have several Tahoe visitors: Jack and Eloise Stowe and the children, Donnie and Cathy, hope to go there if the chickenpox doesn't interfere. Let's hope it doesn't. Wayne and Virginia Morrow and the girls, Kirtie, Kobie and Karla Kiser, also plan to see some of Disneyland.

## To Sacramento

Many families are going to Sacramento for part or all of the holiday week. Mr. and Mrs. George Day and George and Doris Jeanne will visit friends and relatives there and in Florin. Pat Vanni and her three little girls will visit her sister in Sacramento. Mazie Carnell and her four children will spend the week with Mazie's sister, Dick will go down and spend the week-end and will return with the family on Easter. Sandra Snyder is visiting her uncle and aunt, Mr. and Mrs. Peter Riola in Sacramento. They will return on Saturday and all be together on Easter which this year also is Sandra's eleventh birthday. Stephanie Snyder, Sandra's younger sister, left Monday by train with her grandparents, the A. A. Snyders to have a week in San Francisco.

## On Holiday

Lillian and Hal Farr will spend two days of the holiday with Ralph and Helen Rauscher in Winnemucca, Nev., at the family home of Helen Rauscher. Farris celebrated a wedding anniversary Saturday, and both looked like newlyweds as they drove off.

## Return To Lake

There will be many visitors and returnees to the lake this week. Mr. and Mrs. Ward Knapp have returned to open their Lake Forest home for the season. They spent the winter in Cathedral City as I believe I mentioned in the Sierra Sun when they left last fall.

## Lake Visitors

Mr. and Mrs. Warren Porter's granddaughter, Catherine Porter, will bring a friend with her from Beverly Hills to spend the Easter week. The girls are traveling by train.

## From Orange Grove

Mr. and Mrs. Jesse Taylor are entertaining a sister, Mrs. Jack Tinker, from Orange Grove. Tinker, who served for many years as a police officer in Marysville is on the protective force at the great Aerojet plant in Orange Grove. Mrs. Taylor tells me that Mr. and Mrs. Marvin White have sold their Tahoe City home and are going to make a trip east with the children, David and Shirley, before deciding one place to settle. Surely Lake Tahoe.

## At Los Altos

Mrs. Enrico Giannini and Janice are spending part of the holiday in Lafayette and Los Altos. Trent

and his father, Rik, are keeping the hearth warm at home.

## Open Inn

Mr. and Mrs. Bill Hunter's children, Mary Ellen and Billie, are up for the holiday. And notice must be given of the opening Friday night at Bacchi's Inn. Hunters will be open daily now for throughout the season. Ruth Lee took up her duties as waitress with them as she has for several years now.

## Twists Leg

Dennis Hogan twisted his leg skiing in the Silver Dollar meet at Reno Ski Bowl Saturday and had to spend the night in the hospital in Reno. His parents, George and Sylvia, brought him home Sunday.

## Square Dance

Mr. and Mrs. Bill Cannon traveled to Loyalton Saturday night to join in the square dance festival there.

## With Parents

Joanne Spitsen, a senior at the Convent of Notre Dame in Belmont, is bringing a friend, Margaret Reardon, to spend the holiday with her parents, Mr. and Mrs. Martin Spitsen. The Spitsens will return the girls to school the early part of next week and combine business with pleasure in a short stay in San Francisco.

## Ski Club

The Ski Club will meet Friday night at 8 p.m. at which time President Blanche Donaldson will appoint a nominating committee. All members are urged to come out. And more so for nominations at the following meeting, April 26. Election of officers will be held the first Friday night in May.

## Return Home

Mr. and Mrs. Frith Turner and their daughter, Kim, returned from a two-week visit to Pasadena and San Diego, where they visited family and friends. They also slipped down to Tia Juana just to get a little foreign sun. Lu reports that they had a pleasant stopover in Santa Barbara and spent quite a bit of time both in the Mission and at the beach. They came home in time to keep Kim's date with Dr. King to have her tonsils removed at Tahoe Forest Hospital. The patient is doing fine and is looking forward to seeing her friends at school next week.

## Safety Needs

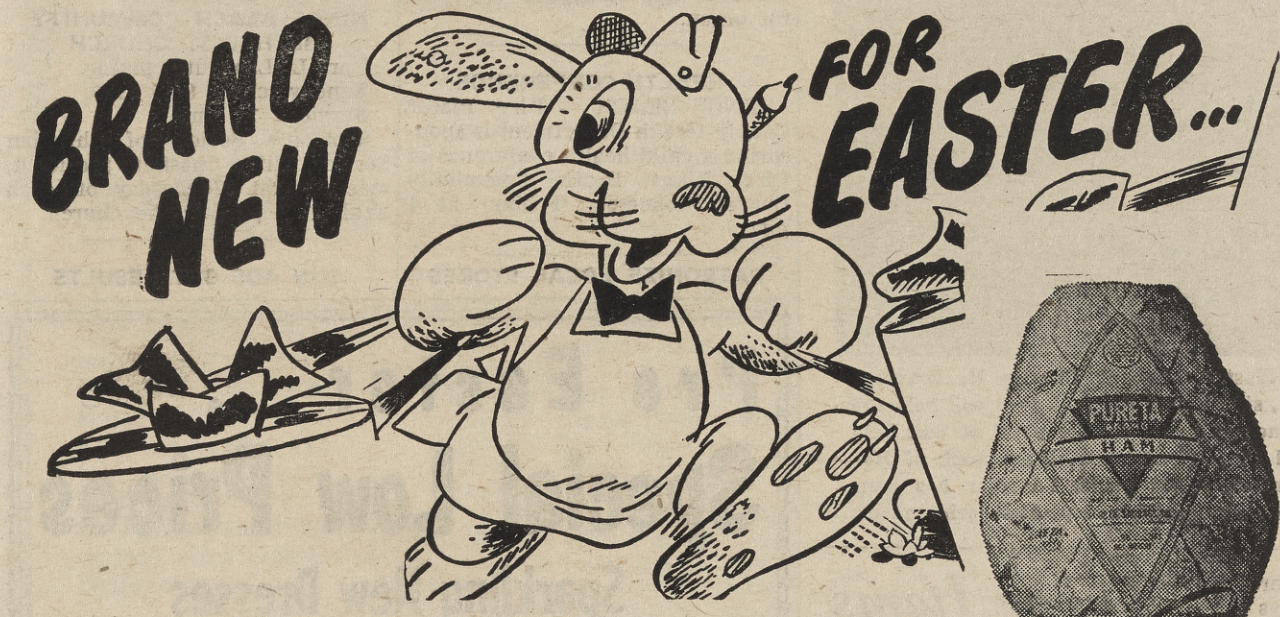

The tragic accident just north of Meeks Bay brings home strikingly the need for something to be done about our lake traffic problems. This accident was caused by excessive speed which is the greatest killer, but there are other problems of our highway living which the proposed Lake Tahoe Safety Council will try to meet. Some 35 people met at the Tahoe Inn at a dinner meeting to discuss the problems and to try to decide what to do. Eleven outsiders who came in to help were most emphatic that it is possible to decrease to a substantial amount the number of fatal and crippling accidents. We will report further on this council as its work develops.

## Attention Resort Owners

Our Business is getting the best for the cheapest. Let us do your buying for your needs, on a wholesale cost plus basis. FURNITURE, BEDDING MATERIALS, KITCHENWARE, LAMPS, ETC.

## NORTH TAHOE

By JUDGE HARRY CHARRISON

**To Sacramento**

It was a real surprise to hear that Tom and Wilma Lucas had sold their home and were already moving to Sacramento where Tom will be with the Bruener Company. While we are sorry to see them go after 11 years of enjoying the lake which they loved, we are very happy to hear of a successful venture for all of them. Susie included. Jack and Mrs. Boatman have purchased the Lucas home and we are glad to have them as our good

neighbors. We shall miss Wilma in the post office, too.

## Soon Be Shipshape

Steve Riolo of the Riolo Inn, Kings Beach has been back for a few days this week. He brought Carl Schwartz up to help get the restaurant and bar in shape. Steve looks good and tells me that he has improved from his sickness of last year, but it will be a while before he is completely recovered. His mother and dad are fine and are looking forward to coming up to the lake.

## Lions

Last week the ladies' night at the Lake Tahoe Lions Club was a big success. Marshall Gordon was entertainment chairman and showed some fine pictures of his travels in Alaska. Joy Plunkett sang a group of songs to the delight of all. Hal Brown of the Lake Tahoe South Shore Lions Club was in attendance and was unanimously endorsed for the office of the district governor of District 4-N. The election will come up at the district convention to be held at Las Vegas. Red Waddell presided at the meeting.

## A Flying Start

Don Armstrong, formerly in the TV business here, visited last week and says he contemplates starting a helicopter service in the very

near future from the Holiday Hotel, Reno, to parts of Lake Tahoe. Don had been pretty sick for some months but is slowly improving.

## Returned

Glad to see Pearl Koltes of the Pines Pantry back again. We shall certainly miss Paul this year who was a familiar figure around the community. Ethel Preston is also back at her home at the Red Barn Motel.

## New Operators

Glad to say that Harvey and Florine Klitzke have taken over the Mobile station in Kings Beach and are already open for business. The Klitzkes are well known here and are very community-minded. Flo is secretary of the North Tahoe Women's Club and active in the V.F.W. Auxiliary.

## Back Home

The Ashtons have returned from Pasadena, where they spent the winter. They visited the Arnold Miedemas and the Wyman Williams. The Wymans by all accounts, are intending to return and build a home here. We shall sure miss Davey, our grandson, as he has gone back with his dad to live for the summer at least. Dave, Sr., is president of the Lions Club.

## It's Here

A little way back in this column I talked about a helicopter service. Well, sure enough, I had a call from the copor while it was coming over Mt. Rose, saying it would be over at Kings Beach in 10 minutes and to meet them. They landed by the Crystal Bay Club and my wife and I took a trip around the area to be followed by Dick and Ruth Lavery.

## World Tour

Elmer and Mrs. Moorish of the

**ATOMIC HEART** — Master Sergeant Charles R. Feaveyar (right) of Saginaw, Mich., stands over the tank that will hold the nuclear material in the package power reactor plant at Fort Belvoir, Va. Specialist Third Class Hendrick T. Rozenbrock of Hoboken, N.J., engineer draftee, is his guide. Feaveyar has been university-trained by the Army to qualify as a plant superintendent.

North Shore Hardware were in San Francisco for a few days seeing his dad off on a world tour which will take several weeks.

## Visitors

Mrs. Franklin's mother was a visitor at the lake for the past week. She is Mrs. Mally of Bridgeport. Mrs. Everett Campbell was up, too, during Sunday of last week. Mrs. Campbell is with the University of Nevada, and she brought Dr. Doris Yingling, dean of the school of nursing at the university.

## Easter Service

No less than 12 persons were baptized, and four people of the whole Milo Browne family joined the church as transfers. Next Sunday being Easter, the service will be held at the Brockway Theater in Kings Beach at 10:30 a.m.

## Install

The V.F.W. Post 7077, Crystal Bay and the Ladies' Auxiliary of the V.F.W. had their installation of officers at the Crystal Bay Club last Sunday afternoon. Admiral John S. Crenshaw is commander; Ray Bergman, Sr., vice commander, and Bob Moore, junior vice commander. Bob Molsberry quarter master. For the auxiliary, Pearl Moore was installed president for the second time. Jeanette Cinani, senior vice; Thelma Little, junior vice; Ethel Antonson, secretary; Benita Jones, treasurer. Mike Kornazowich, past commander, presented Johnny Rayburn representing the Crystal Bay Club with a beautiful plaque in recognition of the many favors and help given to both the post and auxiliary. Johnny received it with promise of continued cooperation. The auxiliary, through Pearl Moore, presented Dave Ashton, president of the Lions Club and also Pappy Brooks, president of the Rotary Club and also to Walter Barrett of the Sierra Sun, merit awards for their

## Tahoe Items

Ernie Hoerdler arrived early from Convina to spend the summer at Tahoe City. The Frank Kennedys came from Cathedral City to their place at Tahoe City.

Mrs. Marie Graham announces that the library will not be open on Good Friday. No charge will be made for books due on that date.

Leigh Ravzor and his family came up to their Lake Forest home earlier than planned because of the severe ski injury their son, Craig, received last week. Craig was on leave from the army for the weekend. An army ambulance picked him up Wednesday, cast and all and took him to an army hospital.

The Community Protestant Easter services in the North Tahoe area will be held Sunday at 10 o'clock in the Brockway Theater at Kings Beach. The services will feature special music and a sermon, "The Hinge of History," by Rev. Earl Langguth.

Many courtesies. These recipients promised further assistance. About 80 members and friends were present. Pearl Moore said thank you to everyone, her term had been one of great success hence the second term.

A very happy Easter season to all inducted officers.

## Blair III

Our old friend, Ira Blair of Kings Beach, was taken quite ill last week and was taken to a Reno hospital and I am glad to report that he is back home and feeling better.

THE PASTIME

Wesley Karasson

On Highway U. S. 40  
Truckee, CaliforniaCANTATA PLANNED  
BY CHURCH AT LAKE

**KINGS BEACH**—Frank Pursel, baritone soloist and music director of Sacramento, will sing the principal solo parts in the cantata, The Atonement, to be presented by the Community Methodist Church of Kings Beach on Friday, April 19, at the church.

Pursel, who has been a featured soloist with the Bach chorus and the symphony orchestra in Sacramento, will sing the role of Jesus in the musical. Other soloists include Kay Felte, Gene Howard, Earl Langguth, Ellen Templeton, Camilla Althof, and Joy Plunkett.

The choir, directed by Rev. Langguth, will include Camilla Althof, Margaret Christiansen, Kay Felte, Pearl Francis, Bernice Franklin, Naomi Muschetto, Ellen Templeton, Mary Lou Waddell, Jan Bauermann, Marilyn Boatman, Mae Critchley, Helen Ehlers, Joy Plunkett, Frances Rockholm, Gladys Thorwaldsen, Robert Critchley, Gene Howard, Roy Porath, Bob Stevenson, Ty Taylor, and Red Waddell. Mrs. Langguth will play the organ.

## HEALTH CONFERENCE

**KINGS BEACH**—The Placer County Health Department is sponsoring a child health conference at the Kings Beach Community Church tomorrow (Friday) at 1 p.m.

PATRONIZE LOCAL STORES

Reno Chamber To Meet  
With Tahoe On Roads

**RENO**—Reno Chamber of Commerce officials will meet with Lake Tahoe businessmen next week on the possibility of publicizing the Kings Beach-Mt. Rose route between Reno and Truckee.

The chamber's activity is part of a comprehensive plan to find alternate traffic routes between this city and northern California during the months ahead, when Highway 40 west of Reno will be closed part time for construction. Tom Jones, representing the North Lake Tahoe Businessmen's Association, will meet with chamber officials on April 23 to discuss routing some of the traffic via the north end of the lake.

This will be a preliminary to an area-wide meeting to be held April 29 in Truckee under the sponsorship of the California State Highway Department. Plans are being made for a tour of other routes between Reno and northern California cities.

OF NEVADA  
Telephone LUther 7-3578—Highway 40, West of TruckeeHow Standard's explorers help find the  
830 gallons of oil you'll need this year

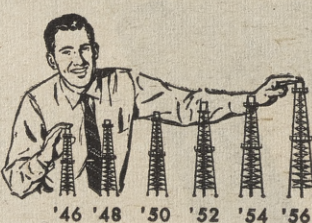

Oil geologists probe the ocean floor for clues to new oil fields

THE OCEAN FLOOR IS THE NEWEST FRONTIER in our search for oil to help meet the growing demand of motorists, home owners, farmers, industry and the Armed Forces.

Last year Standard's scientists explored millions of acres offshore and on land in the Western Hemisphere. Once again we discovered new oil deposits that will help supply the 830 gallons of petroleum everyone in the U. S. will use this year... and the 1000 gallons they'll need by 1965.

With oil becoming more difficult and expensive to find, Standard's investment in exploration is increasing... \$119,000,000 last year. That's one way we can find new oil to help keep ahead of the nation's growing need for products from petroleum.

Progress in the West means...

U. S. oil reserves must  
continue to keep pace  
with rising demand

Daily U. S. oil consumption has risen from 5 million barrels in 1946 to 9 million barrels in 1956 and is expected to reach 12½ million by 1965.

**STANDARD OIL COMPANY OF CALIFORNIA**  
plans ahead to serve you better

IN THE BOARD OF SUPERVISORS  
OF THE COUNTY OF NEVADA,  
STATE OF CALIFORNIA

Monday, April 1, 1957.  
Regular meeting.  
Present: John T. Trauner, Clerk.  
Wm. J. Cassettari, Deputy District Atty.

The meeting was called to order by the Chairman of the Board with all members of the Board noted as being present.

The minutes of the meeting of March 11, 1957, were read to the Board by the Clerk, and upon a motion made, duly seconded, and passed unanimously, the minutes were approved as read.

Upon a motion made by Supervisor Robinson, seconded by Su-

pervisor Bishop, and passed unanimously, the Clerk was directed to publish the proceedings of the Board for the month of April in the Sierra Sun.

Miss Elma Hecker, County Treasurer, rendered her report for the months of January and February and the report was approved and ordered filed.

Following a lengthy discussion between the County Tax Collector, the County Auditor, the County Assessor, and the Board, a Resolution was adopted authorizing the Auditor to reject any cent not divisible by two in the computation of taxes. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.  
Supervisor Second District, Aye.  
Supervisor Third District, Aye.  
Supervisor Fourth District, Aye.  
Supervisor Fifth District, Aye.

After a lengthy discussion by the Board, the Treasurer, the Auditor, and the District Attorney, a Resolution was adopted authorizing the Tax Collector to collect the County taxes in two equal installments. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.  
Supervisor Second District, Aye.  
Supervisor Third District, Aye.  
Supervisor Fourth District, Aye.  
Supervisor Fifth District, Aye.

Mr. Loren Trubschenck appeared before the Board and requested that the Board authorize a federal survey of the proposed Cherokee Water District. Upon a motion made by Supervisor Bishop, seconded by Supervisor Robinson, the Resolution was adopted, and upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.  
Supervisor Second District, Aye.  
Supervisor Third District, Aye.  
Supervisor Fourth District, Aye.  
Supervisor Fifth District, Aye.

Mr. Kenneth Hathaway of the Civil Defense office appeared before the Board and entered into a discussion concerning acquisition of surplus property by the various special districts within the County. Mr. Harry Hyatt appeared before the Board as a member of the Water Resources Board and requested that Mr. Marvin Shock be appointed to the Board in the place of Leland Smith. Mr. Shock was appointed to the Water Resources Board unanimously.

The rest of the morning session was devoted to the scrutinization of County Claims and the following were allowed for payment:

General Fund, No. 6980 to No. 7249—\$27,340.63.  
Welfare Fund, No. 27557 to No. 28581—\$76,651.46.  
Salary Fund, No. 207 to No. 411

PENTAGON CONSULTATION — Colonel Mary Louise Milligan, Director, U.S. Women's Army Corps, briefs a group of officers of the Union of Burma's new "WAC" during a Washington visit which followed their graduation from the Officers' Basic Course at Fort McClellan, Ala. The first officers of a foreign nation to be enrolled in a WAC training course, they will play key roles in the growth of the Burmese Women's service. The leader, Captain Kyn Si, is third from left.

—\$49,363.63.  
Veterans Bldg. Fund, No. 124 to No. 135—\$860.29.  
Spec. Rd. Imp. Fund, No. 1060 to No. 1131—\$17,887.57.  
At this time the Board adjourned for lunch to reconvene again at 2:00 P.M.

## AFTERNOON SESSION

The Chairman called the Board to order at 2:18 P.M. and all members were noted as being present.

Mr. Tevis Payne, representing the Los Angeles County Fair, appeared before the Board and invited the County of Nevada to enter an exhibit in the Fair. No official action was taken at this time.

Mr. Lester Quincy appeared before the Board relative to the acceptance of the roads in the Penn Valley Downes Subdivision. A motion was made by Supervisor Smart to accept the roads in the new subdivision subject to the Agreement on file in the County Clerk's office. The motion was seconded by Supervisor Bishop, and upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.  
Supervisor Second District, Aye.  
Supervisor Third District, Aye.  
Supervisor Fourth District, Aye.  
Supervisor Fifth District, Aye.

Mr. Charles Smith, the County Road Commissioner, appeared before the Board requesting information as to a survey on the Wolf Creek road. Mr. Carlos McGuire appeared with Mr. Smith before the Board and entered into a general discussion on the methods of financing various engineering studies. The matter was deferred until April 11, 1957.

A motion was made by Supervisor Robinson, seconded by Supervisor Bishop, and passed unanimously, authorizing the Chairman to sign a letter of acceptance for a FWD Sno Go.

Mr. Norman Andregg appeared before the Board relative to the acceptance of the Donner Trail Subdivision near Truckee. Tentative approval was given by the Board toward the final acceptance of the Subdivision. Tentative acquiescence was also given by the Board to the improvement bond

assessed on the Donner Trail Subdivision.

A letter of resignation from Mr. George Lowry, County Welfare Director, was read to the Board by the Clerk. A discussion concerning welfare programs was held with Mr. Lowry. A motion was made by Supervisor Smart, seconded by Supervisor Bishop, and passed unanimously, accepting the resignation of Mr. Lowry as Welfare Director, effective May 10, 1957, with deep regrets.

A motion was made by Supervisor Coughlan, seconded by Supervisor Bishop, and passed unanimously, accepting and ordering filed the Agricultural Commissioner's report for the calendar year 1956.

Upon a motion made by Supervisor Robinson, seconded by Supervisor Bishop, and passed unanimously, the Clerk was directed to contact the telephone company and have a plug-in type telephone installed in the Supervisors' chambers.

Upon a motion made by Supervisor Smart, seconded by Supervisor Bishop, and passed unanimously, the Clerk was instructed to issue a Minute Order to each department head of the County requiring them to have their proposed 1957-58 budget in the office of the County Auditor on or before May 10, 1957.

Upon a motion made by Supervisor Robinson, seconded by Supervisor Bishop, and passed unanimously, the Clerk was instructed to issue a Minute Order to Mr. Clare Hughes, County Purchasing Agent, to call for bids for the forthcoming for all expenditures for tires, tire recapping and batteries. There being no further business to come before the Board, a motion was made and duly seconded that the Board adjourn to meet again on April 11, 1957 at 10:00 A.M. thereof.

H. G. LOEHR,  
Chairman, Board of Supervisors.

ATTEST:  
JOHN T. TRAUNER  
Clerk of the Board.

TAHOE  
POSTSCRIPTS

By SWANEE  
(Telephone T.C. 316-W)

Mr. and Mrs. E. H. Pomin of Tahoe Park Cottages are expected home soon from an enjoyable vacation stay in Santa Cruz.

Mrs. Alice Gebhart returned to her home in Tahoe City almost three weeks ago for the summer. She spent the winter at the home of her son-in-law and daughter, Mr. and Mrs. Al Grennan of Sacramento.

Bob Stark of Tahoe City is home again following a recent operation at Veterans' Hospital in Reno and well on the mend.

Mr. and Mrs. Frith Turner and daughter, Kim, returned on Friday from a two-weeks stay in Pasadena, San Diego and Santa Barbara. M. Turner left for Pasadena when he received word both his father and mother, Mr. and Mrs. Frith Turner, also were both taken ill. On Friday of this week little 10-year-old Kim Turner goes into Tahoe Forest Hospital where the family doctor, Dr. Laurance Nelson of Truckee will remove her tonsils.

On May 15th Mrs. A. M. Henry, supervisor of the Tahoe City Ground Observer Corps listening post and her husband "Joe," chief observer, will motor to Moterey to attend the second annual training conference for key members of California's G.O.C. to be held on May 16, 17 and 18th.

LAKE LEVEL  
TAHOE CITY—All gates into the Truckee River were still closed Monday and the level of Tahoe stood at 6228.10 feet. Nearly an inch of precipitation in rain was recorded Sunday and Monday. The temperature varied from a cool 23 to 55 during the week.

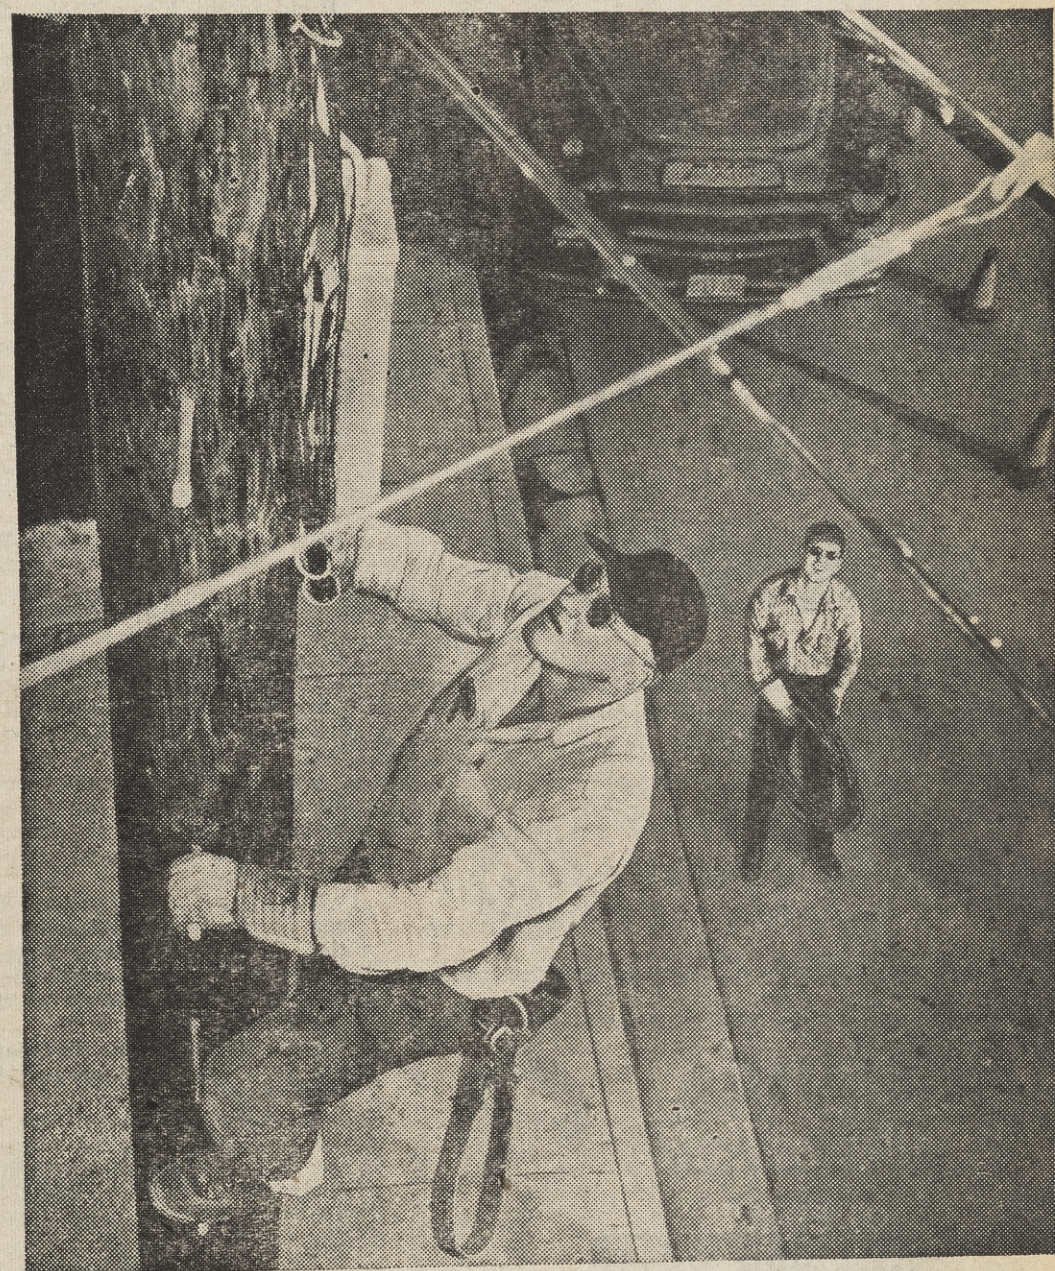

Mr. and Mrs. Julius Gold, formerly of Kings Beach have changed their address from Santa Barbara to Palm Springs.

California is the only state in the union to hold these annual training conferences where members are brought up to date on such subjects as C.O.C. activities of California's 27th and 28th Air Division (DEF) during the past year.

Near the end of the meeting a panel discussion will be held, general information, questions accepted from the floor, Major Paul Gaughenbaugh, G.O.C. coordinator, serving as moderator.

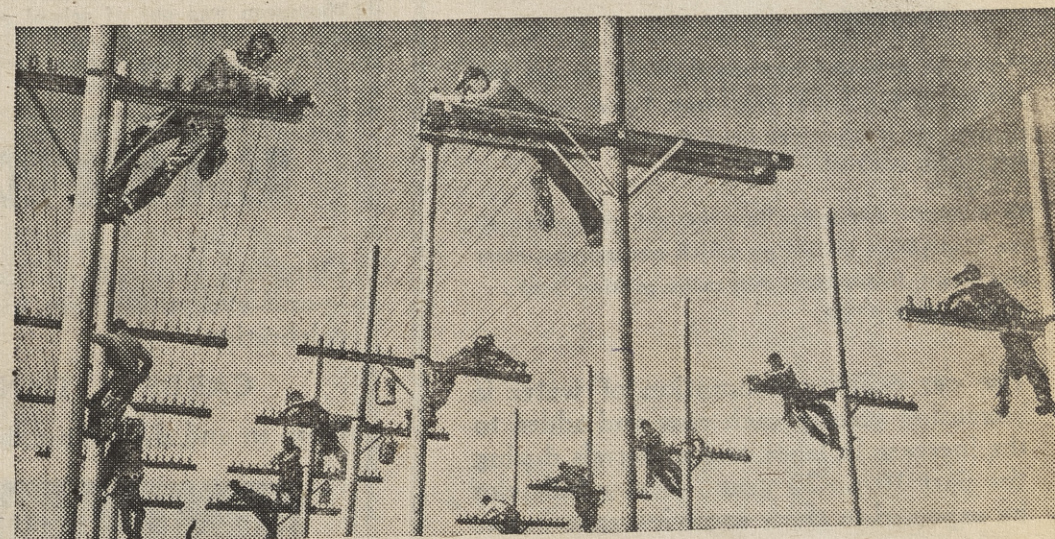

A highlight of the conclave will be the "sky guardians dinner" on the evening of May 17th, at which noted radio and TV personality Bill Thompson will be master of ceremonies. Hosts will be members of the Monterey Peninsula Ground Observer Corps.

Mr. and Mrs. Henry began their long and faithful association with the Tahoe City's listening post during the days of World War II, and have been assisted through the years by every member of their two children Karen and Gary, the Henry Sr.'s daughter, Mrs. Malcolm Fox and her husband, and her daughter, Tabor Griswold. The senior Henrys are known as two of the town's youngest "old timers," having resided here since 1919.

## Chuck Luhning — young man getting up in this world

Just over a year ago, when Chuck Luhning decided to look into telephone work, he knew little about it. But because he showed good promise, he was hired and trained with regular pay. Today Chuck's a telephone lineman with a solid career ahead of him. In a business where management comes up from the ranks, there are lots of chances for promotion. The work is steady, and the pay keeps up with advancement. To Chuck, these things make a good job. And the fact telephone jobs are good, pays off for you, too. It means capable people are attracted into the business. And this means better service for you.

"Classroom in the sky," where Chuck Luhning got his training, is one of many telephone schools up and down the Coast. Others train operators, business office people, installers, and so on. Giving good people good training is another way we see to it that your service is in capable hands.

Working together  
to serve you better ....

AN  
EASTER  
FABLE...

Once there were two rabbits, name of Garfield and Clyde, who set out to seek their fortunes, and bunted far and wide. One day they came to an ocean, but Garfield wasn't abashed. Trusting his luck to nimble feet, he ran—jumped—splashed! Meanwhile, Clyde was thinking hard and got an inspiration. He dyed the eggs in a duck's nest all the colors in creation. In gratitude, the delighted duck sailed Clyde across the sea. Where he became a big success as the jolly Easter Bunny! MORAL: If you want to get ahead, a nest egg is a lot more help than a rabbit's foot. So start saving up your nest egg now, in a savings account at Bank of America. (Where else

can you get 3% interest plus so much safety, convenience and availability for your money?) These nest eggs go great with candy eggs, too, as Easter gifts for children!

NICE  
GOING!

You've done it again—added, subtracted, fussed and fumed, and finally filed your income tax returns. (At least, we hope you have!) But why not make it easier on yourself next year? Start paying all your bills with Bank of America checks. Keep your cancelled checks on file. Then, when it's tax time again, use them to add up and prove your deductions. See us today about opening your Bank of America checking account. No taxpayer should be without one!

## B of A Quiz Corner

DID YOU KNOW THAT Bank of America offers you and your family many valuable trust services, including—for example—the benefit of its vast experience in the administration of estates?

### Tahoe-Truckee School District News

**TAHOE LAKE SCHOOL**  
First and Second Grades: In the first grade we are reviewing our number combinations up to nine this week.  
The second grade prepared a play entitled "Peter Rabbit in Mr. McGregor's Garden." Marty Spitsen is the narrator. Others taking part are: Lynn Harper, Darlinda Stark, Rae Lee Grahm and Pam Bradley, John Carnell, Dick Pomin.  
Third and Fourth Grade: The third and fourth grades grouped for one of their most successful buzz sessions on the topic, "How Can Teachers Help the Children Who Are Not Learning?" The groups included: Greg Moore, Don Bury, Penny Clarke, Karen McBride, Cathy Connors.  
Fifth and Sixth Grades: Newly elected officers for the month of April are Sandy Fellows, president; Steve Yeager, vice president and Sandra Riggs, secretary.  
Linda Sprague's and Mary Anne Spitsen's picture of a colonial village in New England adds color to our room.  
**TRUCKEE ELEMENTARY**  
Kindergarten: George Franceschini has finished the little wagon which he has been working on in the boys' woodwork class, and Mark Salomon, Curtis Melugin and Steven Maynard have built footstools.  
The girls have set up a well-stocked grocery store.  
First Grade: In addition to those mentioned last week, three more

children have the chickenpox, Michael Borden, Raul Hernandez and Susan Schuler.  
Good posters for the "My Public School" contest were made by Henry Frates, Michael Davis, Wilbur Glenn, Phillip Ridsen, Michelle Harris and Bill Rose. Bill Rose's and Phillip Ridsen's were chosen as the room's best.  
First Grade: We drew pictures about "My Public School" this week. Michael Kydd, Chad Salomon, Randee Reese and Linda Russell drew the pictures that were selected from our room to be entered in the selection from Truckee elementary school.  
Kathie Hart had a small apple tree to show the class.  
Karin Meixner had her tonsils out last Friday.  
Diane Patterson is back from a visit to Reno and Pamela Hormon came back from a trip to New York.  
Second Grade: We are sorry that Darlynn Ingalls, Sharon Petersen, John and Charles Collier and Nicky Kenyon have chickenpox.  
We are happy to have Darlene Doolittle as a new member of our grade.  
Bruce King and Gary Waters brought pussy-willows and Mary Ann Moore brought stock.  
Third Grade: We have had many interesting Indian articles brought to class this week. Arrowheads found in Donner Park brought by Clyde Strickler stimulated particular interest.  
Many of our class have been ill with chickenpox, this week. They were: Debbie Ellis, Kathleen Kenyon, Courtney Lewis, Kenny Hensley and Joyce Randall.  
Fourth Grade: Two fourth grade pupils, Mike Ingalls and Teddy Daniels, who reported seeing a house on fire, deserve special com-

### School Bond Election NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of Tahoe-Truckee Unified School District of the County of Placer and Nevada, State of California, that in accordance with law, an election will be held on the 17th day of May, 1957, in said District, between the hours of 7 o'clock A. M. and 7 o'clock P. M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of \$1,700,000 Dollars, for the purpose of raising money for the following purposes:  
(a) The purchasing of school lots.  
(b) The building or purchasing of school buildings.  
(c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.  
(d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.  
(e) The supplying of school buildings with furniture or necessary apparatus of a permanent nature.  
(f) The permanent improvement

mendment for their clear thinking and fast action. Because of them, serious damage to the house was averted.

Making the weekly trip to the library were Judy McGinn, Marcia Leamon, Wade Mosby, Eric Thornstrand, Linda Banyard and David Sorani.

Looking like professionals, Mike Harris, Gary Jensen, David Fordham, Greg York, Eddie King, Steve Davis, Danny Garcia, Jimmy Roth, David Sorani, Kenny Taylor, Donnie Thomas and Wade Mosby appear to be real "hot" prospects for the fourth grade baseball team.

The lunch program assignment rested in the hands of Jimmy Roth, Mike Ingalls and Donnie Thomas.

Fifth Grade: We are happy to welcome Norman Doolittle from the Novato school.  
Those making a perfect score in spelling were Kenny Stumbaugh, Karey Kielhofer, Ronald Brown, Robby Kaspian, Richard Saroni, Susanna Seutto, Leilani Braasch, Liane Kay, Dianne Cardinal, James Hamilton, Bruce Strickler, Daryl Androus, Lynn Quarty and Zeke Romo.

Sixth Grade: We have been working on posters for public school week. Those selected from our room were drawn by David Panke, Ginger Barnes and Pamela Rose.

**KINGS BEACH SCHOOL**  
Kindergarten and First Grade: We welcome Cindy Plunkett and Lyle Draney back into the classroom after both had been out of school for a long period with illness.  
Alice Bay Birch brought dress-ups to school and Jan Jensen brought a wheel that she found.  
Pat Cinani took a short trip to San Leandro.

Second and Third Grades: The new reader used by Darryl Lausche, Carol Lee Corbin, Beverly Bergman, Debbie Martin, Susan Clackett and Paula Martin is titled "Under the Sun."

Bruce Draney, Bruce Templeton and Vern Wing are also enjoying a new reader.

The following children who are now reading in "Meet Our Friends" are: Gale Graton, Wedy Howell, Cindy Hiatt, Cathy Rockholm, Kenny Kammerer and Rondi Thorwaldsen.

The six outstanding posters for public schools week were drawn by: Cindy Hiatt, Cathy Murray and Debbie Martin of the second grade; Darryl Lausche, Vern King and Kenny Kammerer of the third grade.

We want to take this opportunity to thank the Kings Beach Teachers and Parents Association for the lively set of records they purchased for our class.

Martha DeGregorio brought an Italian doll for our social studies unit.

Third and Fourth Grades: Phil Thompson was out of school several days with a bad cold.

The girls are making an Easter lily border for our room.

of the school grounds.  
(g) The carrying out of projects or purposes authorized in Section 18010.  
All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.  
Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the bonds, or any series thereof, are to run shall not exceed 25 years from the date thereof or the date of such series thereof.

For the purpose of holding said election, the School District shall be and it is hereby divided into five (5) Bond Election Precincts, numbered from 1 to 5 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said School District, and of their respective Bond Election Precincts are hereby appointed officers of election, as hereinafter designated, to serve in their respective Bond Election Precincts, as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed are as follows:

#### BOND ELECTION PRECINCT NO. 1

shall include all the area embraced in those portions of Placer County General Election Precincts of Cisco, Summit, Tahoe and Michigan Bluff and the Nevada County General Election Precinct of Soda Springs lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at Donner Trail Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Lola Schull, Inspector.  
Mrs. Dorothy Bacon, Judge.  
Mrs. Betty Aro, Judge.

#### BOND ELECTION PRECINCT NO. 2

shall include all the area embraced in the Placer County General Election Precinct of Brockway lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at Kings Beach Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Eda Judy, Inspector.  
Mrs. Winona Hall, Judge.  
Mrs. Nellie M. Barkhurst, Judge.

#### BOND ELECTION PRECINCT NO. 3

shall include all the area embraced in that portion of Nevada County General Election Precinct of Floriston lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at U. S. Post Office.

Officers of Election for said Bond Election Precinct:

Mrs. Margaret Craig, Inspector.  
Mrs. Ruth Helman, Judge.  
Mrs. Nellie Hamilton, Judge.

#### BOND ELECTION PRECINCT NO. 4

shall include all the area embraced in the Placer County General Election Precinct of Tahoe lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at Tahoe Lake Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Bernadette Bechdolt, Inspector.  
Mrs. Beccy Shontz, Judge.  
Mrs. Betty Staratt, Judge.

#### BOND ELECTION PRECINCT NO. 5

shall include all the area embraced in those portions of Nevada County General Election Precincts of Donner Lake and Truckee lying within the Tahoe-Truckee Unified School District.

**POLLING PLACE** therein shall be at Truckee Elementary Schoolhouse.

Officers of Election for said Bond Election Precinct:

Mrs. Lucile Bick, Inspector.  
Mrs. Irene Englehart, Judge.  
Mrs. Laura Horman, Judge.

Each qualified elector of said Tahoe-Truckee School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

The governing board of the School District shall meet on the seventh day after the election at

its usual meeting place at 8 o'clock P.M. and publicly canvass the returns.  
IN WITNESS WHEREOF, we have hereunto set our hands this 5th day of March, 1957.

### LIVE BETTER... Electrically

### JUST ADD WATER

The importance and the increase in use of water in our daily lives is well illustrated by the following jingle taken from the files of the Ford Meter Box Co. of Wabash, Ind.

"The words on labels tell this tale, in recipes, in ads by mail, and chances are, at work or play, you'll see these famous words today... JUST ADD WATER."

"You'd be surprised how many things are dry and useless till one brings the magic liquid known to all; you use it when you heed the call... JUST ADD WATER."

To illustrate and prove this thought, remember all the food you've bought on which was printed, clear and bright, instructions that make cooking light... JUST ADD WATER.

The per capita consumption of water is increasing greatly each year and added to the increase in labor and materials during the past 10 or 20 years—water bills can be expected to show some increase in use and in amount.

## Tahoe Items

Mr. and Mrs. Manuel Caesar of San Francisco are returning to Kings Beach, which she writes is God's country, where there are no earthquakes.

Meek's Bay Resort is being prepared for early opening this season with the return from Palm

Springs of Mr. and Mrs. George Kehlet.

The Snowden Burches, have recently moved from Palm Springs to Hemet where it is hoped his health will be benefited by the climate. Mildred wrote that her husband had not been feeling well during the winter. They enjoy the Sierra Sun and send greetings to their Kings Beach friends.

### NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Tahoe-Truckee Unified School District, Counties of Placer and Nevada, State of California, hereinafter referred to as the Owner, will receive up to but not later than 8:00 P. M. on the 26th Day of April, 1957, sealed bids for the award of a Contract or Contracts for construction of an Addition to the Kings Beach School, Kings Beach, Placer County, California. Such bids shall be received at the Office of the Superintendent, Tahoe-Truckee High School, U. S. Highway No. 40 near Truckee, Nevada County, California, and shall be opened and publicly read aloud at the above stated time and place.

In accordance with the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

CRAFT	HOURLY WAGE RATE	PER DIEM RATE	HOLIDAYS & OVERTIME
Boilermakers	\$3.275	\$26.20	\$6.55
Bricklayers	3.75	30.00	7.50
Carpenters	3.25	26.00	**
Electricians	3.50	28.00	7.00
Glaziers	2.885	23.08	***
Iron Workers—Reinforcing	3.15	25.20	6.30
Iron Workers—Structural	3.40	27.20	6.80
Laborers—General	2.325	18.60	****
Painters and Decorators—Brush	3.00	24.00	6.00
Plasterers	3.675	29.40	7.35
Plumbers	4.25	34.00	8.50
Roofers	3.00	24.00	****
Sheet Metal Workers	3.30	26.40	6.60
Tile Setters	3.375	27.00	6.75

OVERTIME: Any additional time worked after the regular work day, Saturdays, Sundays and Holidays shall be considered overtime and paid for at double the straight time rate unless otherwise specified herein.

\*\* For the first four hours after the regular work day, overtime shall be time and one-half. All additional time worked up to 8:00 A. M. and on Saturday, Sunday and holidays shall be double time.

\*\*\* For the first four hours after the regular work day and Saturday morning, overtime shall be paid for at the rate of time and one-half. All other time worked shall be at double time.

\*\*\*\* Any additional time worked after the first eight hours of regular work day and Saturday shall be paid for at the rate of time and one-half. Sunday and holidays shall be double time.

Each bid must conform to the requirements of the Drawings and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the office of the Architect, GORDON STAFFORD, 1024 1/2 J Street, Sacramento, California, upon the deposit of \$25.00 per set, which deposit will be refunded on return of such copies within 10 days after the bids are opened.

No bid will be considered unless it is made up on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above-mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it is awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the Bidders.

The successful bidder will be required to furnish a Labor and Material Bond in an amount equal to fifty percent (50%) of the Contract price, and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the owner.

The Owner reserves the right to reject any and all bids and/or waive any irregularities or informalities in the bidding.

Dated this 29th Day of March, 1957.

HERBERT OEBER, Clerk of the Governing Board of the TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT of Placer and Nevada Counties, State of California

Address of the Clerk: Homewood, California.

A4-11-18

## LIQUOR LICENSES IN AREA SURRENDERED

SACRAMENTO (CNS)—The state department of alcoholic beverage control announced 232 alcoholic beverage licenses were surrendered as of April 1 under the department's Rule 65, a procedure set up for licensees who temporarily suspend their business.

Malcolm Harris, deputy department director, said licenses are surrendered under this procedure in such cases as when one of the licensees dies or the business is to be interrupted for some other reason. The licensee may have the license returned to him if he applies within six months.

Meanwhile, the department said it announces the surrendering of licenses to put interested parties on notice that such licenses might become available in the counties concerned at a later date. Many such counties have no other licenses available.

Licenses surrendered under Rule 65 included:

On sale general: Soda Springs Hotel, Highway 40, Soda Springs. On sale beer and wine: Genevieve C. and Carl G. Ramming, Tahoe Vista.

## New 'Catastrophe' Auto Accident Medical Protection

According to Fosten Wilson, new Major Medical Expense protection, coverage against uninsured and "hit-and-run" drivers, reimbursement for expenses and lost wages due to court appearances, and "out of country" coverage are just a few of the more than 44 "Star Feature" extras in a brand-new State Farm Mutual auto insurance policy. Designed to give the broadest coverage in State Farm history, the new policy offers the extra protection modern motorists need in today's hazardous traffic. Interested readers are invited to get complete information without obligation from:

## Water Group May Serve Tahoe Plan

Members of the California section of the California-Nevada Interstate Water Compact Committee meeting in Sacramento last Thursday directed introduction of legislation to give them authority to support a proposed master survey of the Lake Tahoe region.

This survey, C. Edmunds, member of the California commission declared, will be done in the interest of the Nevada-California Lake Tahoe Association to bring the lake into focus for participation in the funds to be made available through the association.

The Nevada unit of the compact group has already obtained this legal authority.

The compact was set up to determine an agreement on water use in the area.

Harvey O. Banks, state director of water resources, said the enabling legislation sought by McDonald would allow the commission to apply for federal funds for regional planning at the lake.

A. M. Barton, chairman of the California commission, observed that such a study would be useful in preparing the water compact.

## GAIL BROWNE GIVEN SORORITY PLEDGE

KINGS BEACH — Beta Theta Chapter of Gamma Phi Beta at San Jose State College announces the pledging of Miss Gail Browne, daughter of Mr. and Mrs. Milo Browne of Kings Beach.

Miss Browne, who is a sophomore majoring in librarianship, was a graduate of Mountain View High School in Mountain View.

Gamma Phi Beta is one of 12 National Panhellenic Sororities on the San Jose State campus and was founded at Syracuse University in New York in 1874.

## ORDINANCE No. 57-01 TRUCKEE PUBLIC UTILITY DISTRICT

Declaring time and place of District Biennial General Election, offices to be voted upon, submitting to Electors a Proposition to increase the number of Directors, designating Election Precinct, Election Board Members, hours of polling and providing for Notice of Election.

WHEREAS this is the year fixed by Section 16151 of the Public Utilities Code of the State of California for the holding of the Biennial General Election in said District; and

WHEREAS the Board of Directors, of said District, did, by Resolution No. 5703, dated February 28th, 1957, formulate a proposition to increase the number of directors at large of said District from three to five, and did, by said Resolution No. 5703, authorize the submission of said proposition to the electors thereof at the next biennial general election in said District;

NOW THEREFORE, BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT, as follows:

1. That the Biennial General Election be held in said District on the 7th day of May, 1957, for the following purposes:

**- McReynolds Sporting Goods -**

(a) To elect one Director-at-Large for said District;  
(b) To submit to the electors of said District the following proposition:  
PROPOSITION: Shall the number of directors of Truckee Public Utility District be increased from 3 directors at large to five directors at large?  
2. That at said election there shall be one voting precinct within said District which precinct shall comprise all territory within the exterior boundaries of said District.  
3. That the polling place in said precinct, hereinabove designated, shall be at Justice Court, Truckee, Nevada County, California.  
4. That pursuant to Section 16156 of the Public Utilities Code of the State of California, the hours of polling on said election shall be from 1 o'clock P.M. until 6 o'clock P.M. of said day; and the election officers shall be one inspector, one judge and one clerk.  
That said election officers shall constitute the Election Board and the following persons are hereby appointed as such officers:  
Lucille Bick, Inspector.  
Dorothy Leamon, Judge.  
Laura Horman, Clerk.  
5. That the Clerk of said District shall post at 3 public places, in said District, copies of this Ordinance, and shall cause this Ordinance to be published twice in Sierra Sun, a newspaper of general circulation printed and published within said District; said postings and publications to be made not later than 21 days from the date hereof.  
AND BE IT FURTHER ENACTED:

1. That the Clerk of said District shall post in 3 public places

in said District a Notice of Election specifying the offices to be voted upon, proposition to be submitted to voters, dates for circulation and filing of nomination papers.

Passed and adopted at a Regular meeting of said Board of Directors, duly called and held this 28th day of February, 1957, by the following vote:

Ayes: Welch, Heller.

Noes: None.  
Absent: Neugebauer.  
CHAS. R. HELLER,  
President of Board of Directors, Truckee Public Utility District.

ATTEST:  
C. EDMUNDS,  
Acting-Secretary thereof.

## FOOTBALL FILMS ARE SHOWN AT MEETING

KINGS BEACH—Visitors were present from Tahoe City Rotary Club at the Monday night meeting of the Brockway Club and were introduced by President Pappy Brooks who later turned the meeting over to the program chairman, Leon Barker. Through the courtesy of the Burgermeister Co., Wiley Jones showed a film of the professional 49er football team.

During the meeting Charles Templeton was inducted into the club under the classification of restaurant.

The president announced that May 6 was the date for the club's regular fathers', sons' and daughters' night.

Saturday afternoon, April 20, is the annual Easter egg hunt and theater party. Show to be at 1:30 and all children are welcome to attend.

## POT-LUCK SUPPER IS SERVED BY DANCERS

The Donner dancers enjoyed a potluck supper at their April 12 meeting. The dancing was enlivened by guest callers Sophie and John Levr, Kings Beach, and Ted Bates, Quincy. Other guests were Mrs. Bates, Mr. and Mrs. Bill Cannon, Tahoe City; Mr. and Mrs. Walt Pope, Kings Beach, ad Jerry Mikacien, Sacramento.

Several couples from the local group visited other dances during the week. Mr. and Mrs. G. E. Lewis, Mr. and Mrs. Lloyd Everett and Mr. and Mrs. Roger Stinchfield went to Kings Beach for the Tahoe Twirlers dance on Saturday.

The Everetts, the Stinchfields, and Mrs. and Mrs. Wilbur Glenn traveled to Loyalton on Sunday to represent the Donner dancers at the farewell party for Mr. and Mrs. "Ollie" Olsen, long time folk dancers and Sierra Valley residents, who are leaving the mountain area. Everett was a guest caller.

The Stinchfields reported that the weekend of dancing was the culmination of a busy fortnight for them that included visits to square dance festivals at Yuma, Ariz., Palm Springs and Fullerton.

## SCHULTZ FILES FOR J. C. POST

Fred Schultz, president of the Lake Tahoe Sierra Chamber of Commerce and a prominent resident of Kings Beach, has announced he will be a candidate for a position on the governing board of the recently formed Placer County Junior College District.

The election will be held May 17 and the final date for filing a petition of candidacy was April 17. Hal Welch, past president of the Truckee Chamber of Commerce and an active local civic leader, also has filed for the office. Only one candidate will be elected from the Tahoe Truckee Unified School District on the five-man board.

Reginald Smart, president of the local school district, who has served by appointment since the district was formed, previously announced that he would not be a candidate for the office.

At the same election, voters will decide locally whether or not to approve \$1,700,000 bond issue required to enlarge the schools in the district to meet the fast-growing demand.

During the election two candidates will be chosen on the governing board of the Tahoe-Truckee district. The incumbents, Smart and Herbert Obexer of Homewood, have filed for reelection.

## Memorial Services For Tahoe Women's Club Will Be Held On May 2

By SWANEE

TAHOE CITY—The Women's Club of Tahoe will hold their annual memorial service for forty or more departed members following luncheon at Tahoe Inn on Thursday, May 2, in Tahoe City.

President Mrs. Donald Snyder of Lake Forest has appointed Mrs. Howard Guth chairman of the memorial committee which arranges a large wreath of spring flowers around a white candle which is lit before the names of the departed members are read, and extinguished at the conclusion.

A business meeting will be followed by election of new officers. Mrs. Phil Geier is chairman of the nominating committee, assisted by Mrs. Warren Porter and Myrie Rose.

On May 23 the Women's Club of Tahoe will hold a special tea at the Tahoe City home of Mrs. Norman Mayfield to commemorate the observance of the club's 30th birthday. Invitations are being sent to all the charter members and another hundred to regular members and their friends. Tea, coffee and dainty sandwiches will be served from 1 to 4 p.m. Chairman of the refreshment committee is Mrs. James Martin, assisted by Mrs. Norman Mayfield, Mrs. Herbert Obexer, Mrs. Martin Spitsen and Mrs. Steve Korich.

The club on April 1 was awarded a special citation from the Reno Veterans' Hospital by Louis Hunt, chairman of the Adv. Com. for exceptional service rendered veterans through gifts, picnic, boat rides and their entertainment over the past years. The club's president, Mrs. Snyder, accepted the award in behalf of the club's members.

**In Hospital—**  
Mrs. Steve Port of Kings Beach is recovering from an operation performed at the Tahoe Forest Hospital last week.

**Improving—**  
Mrs. George Waters was reported improved following an illness last weekend.

**Guests From San Jose—**  
Mr. and Mrs. William Frey and daughter of San Jose were weekend visitors with his mother, Mrs. Lawrence Frey.

**Here For Easter—**  
Linda Stout who attends school at Auburn is spending Easter vacation with her parents, Mr. and Mrs. Harry Stout.

## Official Praises Olympics Tryouts

Innsbruck, Austria, has spent a million dollars in improving winter sports facilities this year, hoping that Squaw Valley will lose the 1960 Winter Olympics.

This is, according to rumors, heard by John Jewett Garland of Los Angeles, a member of the International Olympic Committee and a former member of the California Olympic Commission.

Garland last week said he was "tremendously impressed" with the facilities and staging of the North American Alpine skiing championships at Squaw Valley.

Garland said he will shortly relay a report to Otto Mayer, ICC chancellor in Switzerland, and Avery Brundage, IOC president.

Garland left no doubt that the report will be highly favorable regarding his observations at Squaw Valley.

The American IOC member was not the only one pleased with Squaw Valley. Garland said he invited comment from Toni Sailor of Austria and several other international skiing experts.

Garland said he decided to witness the North American competition purely as a spectator and not as a member of the IOC, and arrived virtually unannounced.

He had great praise for the Squaw Valley ski people "who worked their heads off and did such a magnificent job" staging what was their maiden effort in a meet of this stature.

Garland expressed confidence that controversies involving Squaw Valley owners and the organizing committee would be adjusted in satisfactory manner for all concerned.

## CORBIN DISCUSSES SCHOOL BOND PLANS

KINGS BEACH—Lake Tahoe-Truckee Unified School District Superintendent John Corbin met with the Council of North Tahoe Organizations and the Kings Beach Teacher-parent Association Thursday night to explain details of the \$1,700,000 bond issue proposed for construction of additions to the Kings Beach and three other schools in the district.

The election scheduled for May 17, he declared, is not connected with the recently created Placer Junior College district.

"This bond issue will be used for construction of schools in this district made necessary by an anticipated growth of at least 20 percent each year for the next four years," he said.

Construction of a multi purpose room for the Kings Beach school probably will start soon. Corbin stated the district is advertising for bids on the estimated \$130,000 project and plans to open bids on April 26. This addition is being financed by special reserves built up over the past three years and is not a part of the construction contemplated under the bond proposal.

**Osborn's Mother Ill—**  
Clarence Osborn visited his ill mother at Oroville last week.

## HIGH SCHOOL WINS 2 GAMES

Coach Cal Farley's Tahoe-Truckee Wolverines came close to sweeping three baseball games over the weekend, but had to eventually settle for wins over Lovelock Friday, on the Pershing County High School field, 7-4, and a solid victory over Portola Monday, 7-3.

On Saturday, a small local crowd was treated to one of the closest and most thrilling games seen in several years as the locals dropped a heart-breaking Western Nevada Conference tilt to the Manogue Miners, 5-4.

Friday at Lovelock the Wolverines spotted the host Mustangs a single run in the first inning and then came back in the third to score four big runs and sew up the ball game. Highlight of the four-run inning and game was Craig Robinson's three-run homer over the 340-foot leftfield fence. Robinson also left his shortstop position and came into the game in the fourth inning with runners on second and third and struck out the side to end the inning. He finished the game on the mound to gain credit for the victory.

On Saturday, the locals could not seem to hit in the clutch and left a total of 16 runners stranded on the base paths in the seven-inning contest against Manogue. The three errors the Wolverines committed all contributed to Manogue's five runs and although the Wolverines loaded the bases four different innings they could not get an equalizer run after the Miners took a two-run lead in the first inning. With the score 5-4 in the last inning the locals again loaded the bases with two away but could not dent the plate for the tying run. Craig Robinson, the talented sophomore went the distance for the Wolverines and struck out 12 Miners in the losing effort.

Monday's game on the Plumas County field was much the same as Friday's contest with Lovelock. Cecil Craddock started on the mound for the Wolverines and with the score 5-3 in the fourth and runners on second and third, Robinson again became the fireman and came on to strike out the side and reserve the victory. L. J. Robinson, second part of the youthful Wolverine brother battery, garnered three hits in four attempts to bring his batting average up to a sensational .50 average so far this season in six games.

## SAFETY COUNCIL AT TAHOE FORMED AS DISCUSSIONS HELD

TAHOE CITY—Eleven guests from out of the lake area met with 24 local representatives at the Tahoe Inn Thursday night to discuss the formation of a safety council for the Lake Tahoe area. After much discussion it was decided to form such a council and Bob McLane was elected interim chairman and charged to choose an interim board to prepare organization papers, by-laws, and some working objectives to present to a general meeting in the very near future. It was agreed that the primary

concern of the council at this time would be highway and pedestrian safety and boating, water skiing and swimming safety.

Among the outsiders present were: county supervisors, L. L. Anderson and Frank Paoli, Earl F. Campbell, managing director of the California Traffic Safety Foundation; Fred Durgin, organizer of the Nevada County and Placer County Safety Councils; Blair Geddes, highway engineer for districts of the California Division of Highways; Joseph F. McDonald, president, Nevada-California Lake Tahoe Association; Gladys Pedley, state safety chairman, California Federated Women's Club; Mrs. Maizy Salter, planning director for Placer County; Gene Shoupe, Ne-

## Books Club Meeting

Jeanne Kessey and Donald Trask will lead the discussion for the April 24 meeting of the Great Books Discussion group. The assignment is Lucretius's of the Nature of Things, Books I-III. The meeting, beginning at 8 p.m. will be held in the high school library in Truckee.

vada manager of the California Automobile Association and Sgt. Frank Snyder, of the California Highway Patrol.

This council will include the whole lake area. The next meeting will be held May 2. Time and place will be announced later.
